OVERVIEW: The East Valley School District serves students in three elementary schools, a middle school, and a high school. The District is a vital partner in a highly involved and caring community. The district mission is to empower and inspire all in the pursuit of excellence. The district focus is for all students to achieve their highest level of knowledge, skills, and attitudes necessary to succeed and be responsible, productive citizens. The East Valley community has a long history of being highly involved in supporting student achievement in well established school programs and activities. Over the past 10 years the East Valley Community has supported new construction of three of the five schools in the district. Through mutual support and the combined efforts of families, schools, and community, our students are provided a safe, high quality learning environment where our students
